A Message from the UCSB Retirees Association Co-Presidents

Co-President Nancy Tanner & I wish you a Happy New Year filled with good health and fun activities.

Our annual Christmas luncheon was held on Wednesday, December 7th at the Elks Lodge and was a great success. The Exalted Ruler of the Elks Lodge, gave a warm welcome and thanked us for bringing toys which the Elk’s Lodge will distribute to children in the Santa Barbara Community. Our fun entertainment was from the Silver Follies dance team made up of mature ladies who know how and can kick up their heels and dance. Everyone who attended the lunch had a great time, good food, renewed friendships, and a chance to win one of the many raffle items which were available. As is the custom, we raise funds from our raffles to help supplement our scholarship fund. I would like to thank all of you who donated your raffle items to the enjoyment of all the winners.

The Retirees Organization once again supported the Santa Barbara Foundation with a $1,000 scholarship for local high school seniors who plan to attend college. We also support the UCSB Guardian Scholars Program, for students who have aged out of the foster care system and are on their own. What a joy to help these young folks succeed in their education.

Please join us for our monthly meetings the third Wednesday of the month at Cody’s Cafe at Hollister and Turnpike. We meet at 9:00 am in the event room for breakfast. You will not want to miss our January 18th speaker, UCSB Professor Chandra Krintz, from the UCSB Computer Science Dept. speaking on technology. Later we plan to invite the new police chief, as well as an organization called Food from the Heart and Meals on Wheels. Patricia Bragg a health consultant is also on our list of speakers.

We are always looking for retirees who would like to serve on our UCSB Retirees Association Board. We meet at 9:00 am on the first Wednesday of the month at Cody’s to take care of business and plan events. If you are interested, please contact (email below).

Warmly,

Barbara Anderson & Nancy Tanner, Co-Presidents
UCSB Retirees Association

Health Benefits in 2017

We've received a lot of calls from retirees concerned about notices they've received about changes in the 2017 UC medical and drug plans. While UC tried to get the word out about the changes during Open Enrollment, not everyone fully understood this transition. Following is additional information that we hope will reassure you that there is nothing you need to do and that very little is changing in how your plan works or the physicians and pharmacies you may use.

Blue Shield Medicare Plans have new administrators

The Blue Shield Medicare PPO and High Option will have new administrators in 2017. The plan designs and coverage remain much the same.

Anthem Blue Cross will administer the medical benefits. Medicare remains your primary insurance so you may continue to see the Medicare physicians you currently use. Anthem will be the supplement to Medicare. You will receive an Anthem ID card in late December.

OptumRx will administer the prescription drug (Part D) benefit. The OptumRx network includes most of the major pharmacies and as well as some of the independent pharmacies in our community. You will receive an ID card from OptumRx in late December. In mid-January, some members may receive a second ID card from OptumRx. If you receive a second ID card, it will replace your initial card.

De-enrollment Notice: If you were enrolled in a Blue Shield Medicare plan in 2016, you may have received a notice that Blue Shield plan is ending 1/1/17. You may also have received a notice that OptumRx will be providing your prescription drug (Part D) coverage in 2017. These are legally required notices that do not require any action on your part. These notices are for your information only.

You will find more information about the Medicare PPOs on UCnet

UC Medicare PPO – Plan Overview
http://ucnet.universityofcalifornia.edu/oe//medical/uc-medicare-ppo.html

High Option – Plan Overview
http://ucnet.universityofcalifornia.edu/oe//medical/uc-high-option.html

Member Services:

Anthem Blue Cross: (844) 437-0486
OptumRx: (855) 489-0651

Blue Shield Non-Medicare Plans have new administrators

UC Care, Health Savings Plan and Core will have new administrators in 2017. You will received a new ID card from Anthem Blue Cross in late December.

Anthem Blue Cross will administer the medical and behavioral health benefits. You will receive an Anthem ID card in late December. Please note: Optum Behavioral Health will no longer be covering mental health and substance abuse treatment for these plans.
OptumRx will administer the prescription drug benefits. Use the Anthem ID card for prescriptions drug coverage.

You will find more information about the non-Medicare PPOs on UCnet

UC Care – Plan Overview

Member Services

Anthem Blue Cross: (844) 437-0486
OptumRx: (855) 489-0651

Health Net Seniority Plus and Health Net Blue & Gold HMO.
There were few changes in the Health Net HMO medical plans. The plan designs and copays will remain much the same for both plans. The participating medical groups also remain the same in the Santa Barbara and Ventura area.

Health Net Blue & Gold members will receive new ID cards at the end of December. New Health Net Seniority Plus members will received new ID card.

OneExchange Program – Retirees living out of California
Retirees who enrolled with OneExchange for the first time during this Open Enrollment period may have received an enrollment notice from OptumRx. You should not be enrolled in this plan. Please contact OneExchange (1-855-359-7381) to confirm you are enrolled in the prescription drug plan you selected.

Changes at the UCSB Emeriti/Retirees Center

There’s been an upgrade to the UCSB Emeriti/Retirees Center – Debra Martin, Emeriti/Retiree Coordinator – will be providing additional time to the Emeriti/Retirees coordinator position. What this means now:

- Developing a monthly speaker/discussion program, scheduling a new topic each month
- Upgrading email notices. There will be one email coming to you early each month highlighting events, health benefits updates, campus news and other information

The location of the Emeriti/Retirees Center has moved, too. We are in the front lobby area of Human Resources for easy access.

We look forward to further enhancing the Center, and being a continued, renewed, or new part of your UCSB retirement!

UCSB Emeriti/Retirees Center
Hours: Mon – Th, 8A – 1P
