Greetings Retirees,
I hope your summer is going well.
I want to welcome Barbara Anderson as UCSB Retirees Association Co-President with me for the 2014-15 academic year. Barbara has been an active board member since her retirement; in fact, she served as President for five years prior to my Presidency service.
The UCSB Retirees Board of Directors lost one of our members on June 14. Judy Klinge was a very active board member who formerly served as Treasurer and then on the Program Committee. Judy will be sorely missed.

We had lots of fun at the annual Retirees Association membership BBQ in June, at the Elk’s Lodge. The BBQ crew cooked up some wonderful chicken, and of course, the delicious potluck dishes brought by the retirees made a feast. Thank you to all that participated in the raffle and to those that donated items. As you are aware, any funds raised go towards the UCSB Retirees Scholarship fund.

The 2014-2015 slate of Board of Directors was voted in at the BBQ during the brief business meeting. To see the names and positions of the board, see page 5 of this newsletter.

I have enjoyed the privilege of working with a wonderful Board of Directors and meeting many of the creative and enjoyable retirees at our functions since joining the Retirees Association in 2009 - the last four serving as President. Although I will continue to be active on the Board of Directors, I will be stepping down as President of the Retirees Association at the end of 2014/2015 term. To assist the Nominating Committee, the board approved Co-Presidency of Barbara Anderson and me for 2014/2015. In the meantime, the Nominating Committee is currently seeking a President-Elect, a new position for the UCSB Retiree Association. President-Elect will work with the Co-Presidents to learn the job of the Presidency, and then step into the President position for the 2015-16 term. If you feel this might be something you would like to do, please let me know.

The Board is working on programming for the new season. To start off the Fall Quarter breakfast meetings, on September 17 local Genealogist Cari Thomas will talk about getting started on researching your ancestry, and the new Santa Barbara Genealogy Society’s Sayhun Library. UCSB Health Care Facilitator, Laura Morgan, will have a presentation on the 2015 benefits update at our October 15 breakfast meeting. We are working on November’s speaker at this time. Watch for forthcoming information.

Hope to see you in the fall.

Medical Care Away From Home

All UC medical plans will cover emergency or urgent care services without prior authorization while you are traveling this summer. If you are enrolled in Health Net, Kaiser or Anthem Plus and you need follow-up care, please contact your Primary Care Physician.

Get the emergency care you need
Go to the nearest emergency room, or if you don’t have an emergency but need care – say for a sprained ankle or high fever – going to an urgent care center is your best bet.

Urgent Care Examples
• Severe sprained and/or broken bones
• Severe high fever
• Severe abdominal pain/nausea

Emergency Care Examples
• Shortness of breath
• Excessive bleeding
• Severe pain to body functions, parts or organs

Urgent care facilities may ask you to pay in full at the time of service. Keep a copy of all itemized billing statements you receive for your out-of-area care. You will need to submit these to your medical plan for reimbursement.

Please call the member services number on your ID card if you have questions or need a claim form.

Your UCSB Health Care Facilitator

Laura Morgan is here to assist you with your healthcare benefits needs. To talk to Laura, you can contact her at via email at laura.morgan@hr.ucsb.edu.

Open Enrollment Presentations will take place in October when 2015 Medical Plans have been finalized. Until then, we will do our best to keep you informed on any updates.

For those who have fruit trees and gardens that produce more than you can use, there is a program through the Food Bank of Santa Barbara County called the **Backyard Bounty Program**. In this program, excess produce is harvested and picked up by the program volunteers and then distributed to people in need who can use it. To see more go to: [http://foodbanksbc.org/backyardbounty.html](http://foodbanksbc.org/backyardbounty.html).

If you are interested in volunteering, harvests take place week-day mornings as well as occasional evenings and Saturdays. All ages between 7 (with parental supervision) and 77 are welcome as there is always something to do that fits your abilities. Volunteers are the backbone of the Foodbank. In 2013, volunteers provided nearly 20,000 hours of volunteer service. This support saves thousands of dollars and allows the Foodbank to provide more resources to the community.

For more information, please call: **805-967-5741**

*Did you know*? *The estimated value of volunteer time is $24.75 per hour!*
