

Introducing UC-paid identity protection for retirees

As part of our ongoing commitment to the well-being and security of our valued retirees, we are excited to introduce a new benefit fully paid by UC — [comprehensive identity protection for you and dependent children under age 18](#).

Enrollment is automatic, but you must set up your account to take advantage of the program. On April 1, 2024, you will receive a welcome email from Experian with a personalized link to access the Experian portal and complete your account set-up.

Key features of the identity protection program, effective April 1, 2024, include:

1. **Credit monitoring, reports and scores:** Receive credit reports, scores, and real-time alerts for any changes to your credit report, helping you detect potential identity theft
2. **Identity theft insurance and restoration services:** Up to \$1 million of identity theft insurance and 24/7 restoration services in the unfortunate event of an identity theft
3. **Dark web and proactive monitoring:** Active scans of the dark web and many other databases for any compromised personal information
4. **Device protection and online privacy:** A suite of privacy tools to help defend your digital data across all your devices
5. **Digital financial management:** Financial tools and personalized insights to help you achieve your credit and financial goals

Details of the program are available on [UCnet](#).

UC is dedicated to helping you safeguard your personal/ financial information and encourages you to take full advantage of this new benefit.

You are invited to attend an information session webinar for retirees during the week of March 18 — you can find details and registration links on [UCnet](#). Your retirement benefit team can also assist you with your questions or concerns.

Thank you for your attention to this matter, and we appreciate your ongoing dedication to the University of California.

Best regards,

Erin Morse
Insurance Supervisor
Retirement Administration Service Center
