Santa Barbara Post-Disaster Resources

Updated: 1/17/18

The impact of the Thomas Fire and Montecito mudslides is will endure for some time and a wide range of information and services will be needed. This handout includes the following: 1) Support and recovery services, 2) Educational resources on disaster, trauma, and recovery as well as community preparation, training, and response, 3) low-cost counseling centers for immediate and/or ongoing counseling and support, and 4) local and national crisis numbers and resources.

Recovery Assistance & Support

**Thomas Fire and Storm Event Local Recovery and Assistance Center:** On Wednesday, January 17, the County will open a Local Recovery and Assistance Center to serve as a centralized, single point location for essential resources and services to help community members recover and rebuild. The Local Recovery and Assistance Center will initially be open January 17 to February 3, 2018 at Calvary Chapel Santa Barbara, 1 N Calle Cesar Chavez, Santa Barbara, 93103 during the following hours of 11 a.m. 6:30 p.m., Monday – Friday, and 10 a.m. – 2 p.m. Saturday. The center will be closed on Sunday.

Representatives from various local, state and federal agencies will provide counseling support, resource and housing assistance, information to aid in rebuilding, permitting, hazardous materials clean-up, loss of business or employment, basic health and human services, and other topics.

The Family Assistance Center, located at 21 E. Constance Avenue, Santa Barbara, will continue to serve community members through Wednesday, January 17, when the Local Recovery and Assistance Center opens. For questions about the interactive map or Local Recovery and Assistance Center, please call the January Storm Public Information Line at (833) 688-5551 or send text message to (805) 699-0165.
