Disability Insurance Workshops

During this year’s Open Enrollment, all benefits eligible employees may enroll in Voluntary Disability Insurance, you cannot be denied. Disability insurance provides partial wage replacement when you are unable to work due to pregnancy, illness or injury. UC’s new disability options allow you to tailor your coverage to your needs and budget. If you are currently enrolled or want to enroll, you have choices to make.

Attend a workshop to learn about your options or go to: http://ucal.us/disability2017
