FOR STAFF CELEBRATION WEEK
TRAVELING HERE & ABROAD:
SECRETS FOR ENRICHING YOUR LIFE BY SEEING THE WORLD

Travel provides an enduring education and a wealth of experiences not available through any school. Whether you choose an international destination or a location closer to home, travel will enrich your life and challenge you in ways you cannot imagine.

Are you interested in traveling in the USA or inexpensive international destinations? Do you prefer solo or group travel? Active vacations or something more relaxing? Whatever your preferred mode of travel, our presenter will give you tips and resources to help you find your next adventure. A slide show of her travels in the Sierra Nevada, Southeast Asia, Europe, South America, and the Middle East will provide a window into these journeys.

UC RETIREE HEALTH INSURANCE:
PLANNING FOR RETIREMENT

Understanding retiree health insurance is important when planning your retirement. If you are preparing to retire or are just thinking about it, please join us to learn about the health insurance options currently available to UC retirees. Topics covered include:

- Will you be eligible for retiree health insurance?
- What insurance plans are available to retirees?
- How does Medicare coordinate with retiree insurance?
- How do you enroll in Medicare?
- How much will retiree insurance cost?

Please note program time: 12:00 to 1:30 PM
